

# Postage Stamp Template

Feathered Nest Studio

Cut one out of felt (in a contrasting color to your envelope). Use pinking shears, if you want. Postage amount is hand embroidered onto stamp.

## Postcard template

total size: 5 x 7"

Cut one 5 x 7" out of chalkcloth and one 5 x 7" out of felt. Using various scrap fabrics (or just one 5x7" piece of fabric if you prefer), cut out the small rectangles to make your scrappy postcard, **adding a 1/4" seam allowance to each piece.**
